PROLOGUE

The theater is hushed, the curtain rises,
and our play begins. The actors and the audience wait
and wonder in breathless expectation, while Our Director
. . . Almighty God . . . is aware of the many trifles and mishaps
which may arise to mar the perfection of our production, yet
the joys and memories will be ours forever. As the curtain falls
we trust that our Director's comment to the play will be . . .
WELL DONE.

DEDICATION

To His Eminence, The Cardinal
of Schools . . . who through his generosity and undying
love of God's little ones is striving to further the ideals
of Christian Education . . . we lovingly dedicate this
second volume of "The Lauretana," under the
auspices of Our Divine Lord and
His Blessed Mother.

ACT I

Directors

To Monsignor O'Flaherty,

Whom, through close association, we have come to regard, not only as our school director, but as a kind father and helpful friend.

The memory of his magnanimity in aiding our needs and rewarding our victories will always be cherished by the Class of '53 who rejoices with Monsignor in this Silver Jubilee year and prays that he may walk in the Light of Mary's Love to his golden years of priestly ordination.

Pastor of Our Lady of Loretto Church

Our Lady of Loretto High School
227 North Lake Street
Los Angeles 26, California

Dear Graduates,

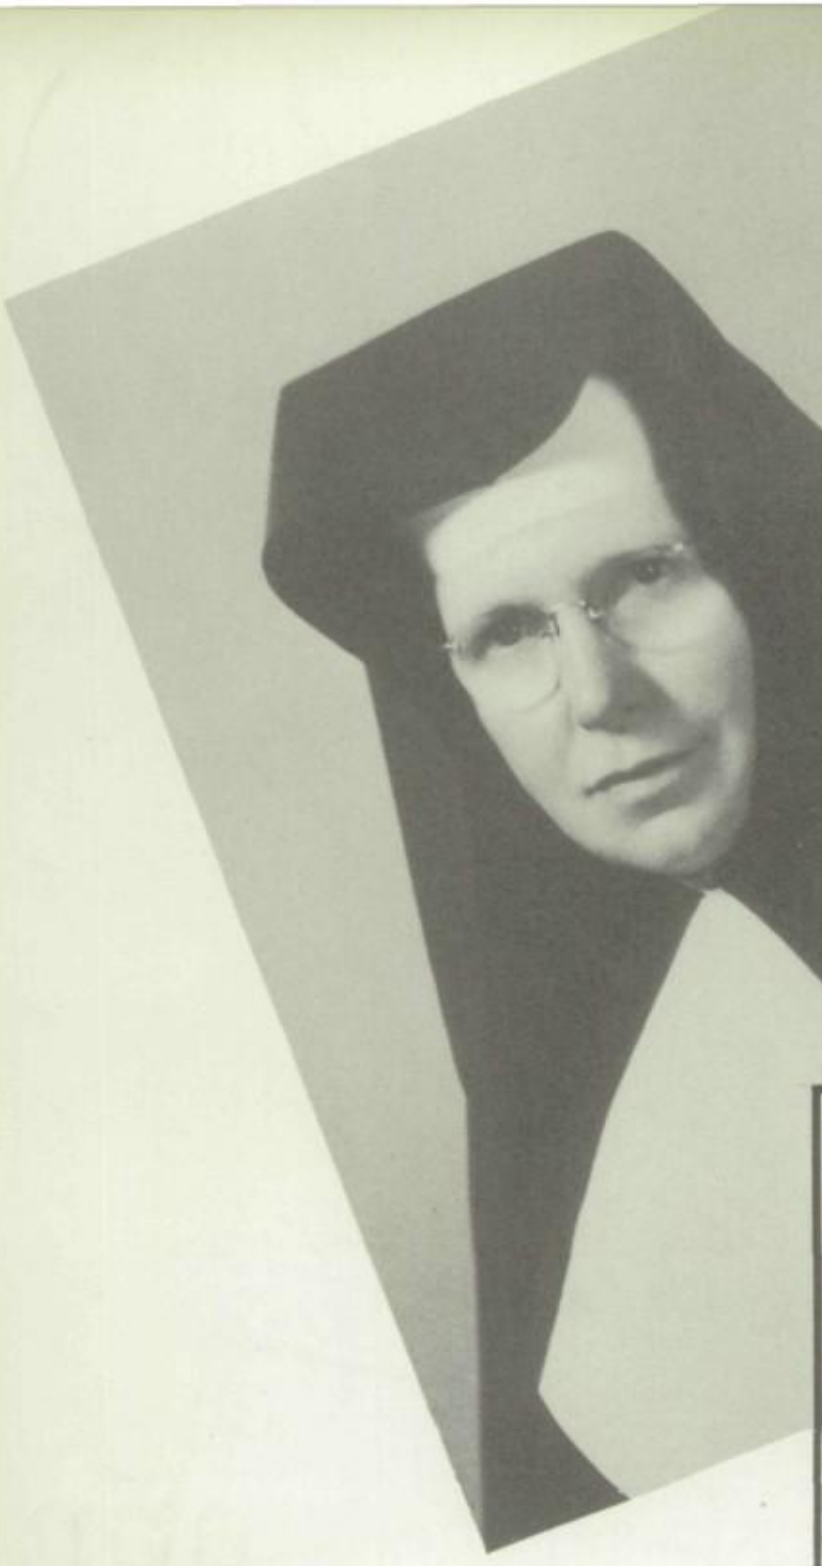
In the liturgy of the Church, a priest is called "another Christ." This awe-inspiring title is given him because it is him duty, as a priest, to live after the example of Him Master, and because it is his privilege, though unworthy of it, to continue among men the sublime mission of Our Blessed Lord - to teach, to pardon and to consecrate.

In a somewhat similar sense it may be said of you, as you complete your training and go out from this school of Our Lady, that you go forth other Marys. It is your duty, as her children of predilection, to live after the example of your Mother. Your great privilege it will be to mirror among men the sublime virtues of Our Blessed Lady.

How desperately our poor world needs today women who are thus other Marys! To paraphrase a letter written to me twenty-five years ago, on the day of my priestly ordination: The world needs saintly and self-sacrificing women. No others will do. May your imitation of her be progressive always. Go forth to give of a faith and a love that are living and active and unbounded within you.

God bless you!

Raymond J. O'Flaherty



SISTER M. SALOME, PBVM
Principal

Our Lady of Loretto High School
227 North Lake Street
Los Angeles 26, California

Dear Graduates,

Four years ago you entered Our Lady Of Loretto. A new school was then in the process of completion, a student body with its spirit and loyalty was not yet born; and like pioneers, venturing into the unknown, you shouldered your responsibility to blaze the trail for a long line of followers.

All too quickly the years have passed and today you leave your Alma Mater, now well established to carry on the Church's great tradition of developing and training girls in the ideals of Christian womanhood.

We send you forth strong in these ideals, we trust. Mistakes may come and will; and failures will blight your finest endeavors, but continue to press on and endeavor to keep Mary ever before you as your Model. Turn to her in all trials and difficulties, have recourse to her in all your joys and undertakings.

To you, then, the class of '53, we bid farewell. The memory of your noble efforts to bring glory to God, honor to Our Lady and achievement to your school will long remain in the hearts of your teachers and friends.

Farewell and God bless you!

ear Graduates:

Your course of studies of Our Lady of Loretto high school has come to an end. On that first day of school, four years ago, you wondered if this day would ever come - it looked so far away. But the years have passed quickly, and today, we send you out into the world, confident that you will put into practise what you learned here. Throughout your course, you have learned of God's infinite, eternal love for each one of you, and the important place you hold in the universe of His creation. Hold fast to these two fundamental concepts, and your lives, under the gentle influence of grace, will be successful.

Your class has been a wonderful one, and will long be remembered, not for "accepting" only, but for "giving" too. As the first class to go through all four years of high school here, you have made notable contributions to every phase of the school's life. Foremost among these contributions, has been the cheerful and docile spirit, with which you accepted all the mandates and decisions of your Superiors - a spirit contagious for the other classes.

May the gentle Queen of heaven, under whose venerable patronage you have studied these four years, continue to be your model and exemplar all the days of your life, and never cease to recommend you and your under - taking to her divine Son. May He bless you always.

Devotedly yours,
Michael Gormally

REV. HAROLD F. CREMINS
Junior Religion

Dear Graduates;

The day of your graduation is often referred to as "Commencement Day" because it marks an end and a beginning. Your diploma signifies that your high school course has been completed. It also reminds you that on the occasion of your graduation you begin the practical application in everyday life of the things you have been taught.

Under the banner of Our Lady of Loretto, you have been educated to seek the truth in all things. Every aspect of your studies has led you to realize that there can be no true education without the Eternal Truth, God.

May God grant you the grace to apply your years of training at Loretto by always being true to your God, to yourselves and to your fellowmen.

Sincerely yours,

Harold F. Cremins

Senior Prom

Queen Norma

"Smile a while
And while you smile,
Another smiles.
And soon there's miles
And miles of smiles—
Because you smiled."

If there is any one thing that stands out more than all others in that combination of charming assets that go to make up that sparkling personality—our "Prom Queen," Norma Johnson, it is her ever present bright smile.

From reliable sources—Mr. and Mrs. Richard Johnson, to be exact—we understand that Norma flashed her very first smile upon them, when they made their mutual acquaintance on the bright sunshiny morning of September 17, 1935. Ever since then Norma has kept on smiling all along.

Norma smiled her way through Grammar School at Immaculate Conception and Loretto. Then she beamed on Our Lady of Loretto's brand new High School, when she registered here as a member of the first Freshman Class on September 16, 1949.

The four years of high school sped by only too swiftly for popular smiling Norma, who is interested in all school activities, was always an integral part of Loretto Hi.

Norma's biggest moment came when, as a Senior, her class mates paid the greatest tribute to her friendly smiling personality by voting her "Queen of the Prom."

"The Success of Your Annual is Our Concern"

Our Production is finished and another successful season, with God's help, has come to a close.

We thank our Director, Almighty God, in deep humility, for giving our sponsors, His Eminence, Cardinal McIntyre and Monsignor O'Flaherty, the opportunity to see their dreams come true in our school.

From the bottom of our hearts we also wish to thank our producers, the Faculty, for making our Christian Education possible and to our Promoters, our dear Parents, who by their endless sacrifices and untiring efforts have encouraged us in our quest for happiness.

As for our audience, the Student Body, which has helped supply inspiration for our production, we express sincere thanks and wish them all luck for the future.

And now for the critics, who alone can judge the integrity, effectivness and sincerity of our production - we, the players of 1953 , trust that they will judge us with the same tolerance with which they judge the greatest stars of our time.

It is with deep gratitude and sincere appreciation that we, the class of '53 bring to a close our production of cherished memories and never to-be-forgotten days in Our Lady Of Loretto High School.

Bobbie Ball
